TWO Victories for the Construction Industry!

October 10, 2011

Governor Brown SIGNED 2 Bills ASA Supported!

**SB 293 - RETENTION
SB 474 - INDEMNIFICATION**

SB 293 caps retention in public works projects at 5%, provides for speedier payments, and protects payment rights of sub-tier subcontractors.

SB 474 rightly apportions liability for damages and defense costs to those who actually caused the damages.

These two new laws are MAJOR improvements for the construction industry!
THANKS TO ALL OF YOU WHO HELPED BY WRITING LETTERS!
